PodiVite® FAQS

What makes PodiVite® so extraordinary?

PodiVite® is created by clinical pharmacists and podiatrists to support plantar fasciitis, ankle, and foot pain. It's formulated to provide 23 research based clinical ingredients required to repair ligaments and reduce inflammation commonly seen in the foot.*

How should I use PodiVite®?

Take 2 capsules with 8 oz of water with or without food, twice daily. You must use PodiVite® for 3 consecutive months to get the maximum value since this is the time recommended to help rebuild tendon, ligaments, and properly reduce inflammation. Take PodiVite® like a daily multivitamin to maintain good feet and ankle support.*

How does PodiVite® work?

The key ingredients in PodiVite® are natural anti-inflammatory ingredients such as organic turmeric, glucosamine, MSM, bromelain, and white willow bark extract which are used to reduce chronic inflammation and plantar fasciitis. The collagen and hyaluronic acid are used to support the rebuilding of tendon and ligament damage. Along with these ingredients, there is alpha lipoic acid and benfotiamine that improves the flow of blood to the nerves allowing them to use energy efficiently and assist with nerve related pain.*

Can I use PodiVite® with other prescription products?

Yes, it works in combination with other prescription products such as Aleve (naproxen) or Celebrex (celecoxib) to alleviate pain and inflammation.*

Are your products high quality?

Yes, absolutely. We use bioavailable, organic and pharmaceutical-grade ingredients in our formula to optimize absorption. Our formulas are made in a state-of-the-art USA-FDA registered facility following Current Good Manufacturing Practice (CGMP), using Non-GMO ingredients. Rest assured, our premium supplements are also 3rd party tested to ensure quality, safety and compliance.*

What happens if my product arrives damaged?

Simply contact Amazon or Zen Nutrients for a refund or we will ship out a new replacement product.*

WHY ZEN NUTRIENTS?

They say pharmacists are one of the most trusted professionals in the world. Well then, if you take the trust and wisdom of a pharmacist, combine that with the knowledge and expertise of a physician, this equals Zen Nutrients.

MOTTO & MISSION

Heal from within. We strongly believe in the power of natural medicine and have witnessed the health benefits of the holistic approach. Our mission is to improve health outcomes, reduce healthcare costs and simply create zen in your body by addressing the root cause.
